Online

South Dakota State University [Early Education and Care \(B.S.\)](#)

The Early Education and Care (EEC) is an online undergraduate program provided by seven universities working in collaboration. This program will prepare you to work in early childhood settings with young children, especially those whose family members are highly mobile. When students complete the program, they will be qualified to work in a variety of programs that offer early care and education in the community and on military installations.

Dakota State University

[Elementary Education \(B.S.E.\)](#) [Elementary Ed/Special Ed \(B.S.\)](#)

Our nationally accredited programs equip you with the knowledge and skills to really make a difference in the lives of your future students.
